## CHARGE BOOKS

### CHARGING BOOKS TO YOUR FINANCIAL AID

Students may charge books to financial aid if they are receiving any aid, including grants, scholarships and loans. This does not mean your financial aid will cover the cost of the books. Coverage depends on amount of aid you receive, your tuition and fees, and room and board.

Go to the bookstore with your WSC Student ID on the days specified by WSC to charge books and/or supplies to financial aid.

### CHARGING BOOKS TO A THIRD PARTY

A third party is an outside agency authorizing WSC Student Finance Services to invoice them for books and/or supplies. [Examples: Military Benefits, Workforce Investment Act (WIA), Workforce Safety and Insurance (WSI), Vocational Rehabilitation, BIA and private employers]

### TO CHARGE BOOKS TO A THIRD PARTY

- Verify with your **THIRD PARTY ORGANIZATION** to assure the necessary paperwork was sent. All third party authorizations/contracts must be in WSC STUDENT FINANCE SERVICES prior to the designated tuition/fee due date for the semester.
- Go to the **BOOKSTORE** with your **WSC STUDENT ID** on the days specified by WSC to charge books and/or supplies to a third party.
- Notify the **WSC BOOKSTORE** you are charging to a third party  
**PRIOR TO PURCHASING BOOKS WITH THE CASHIER.**

Students charging books prior to third party authorization approval may be denied third party processing/payment and will be responsible for any balance not covered by the third party.

Students who charge books/supplies not allowed by their third party will be responsible for such charges immediately upon notification.

### DATES TO CHARGE

Please refer to the important dates and information link under current students at willistonstate.edu for the dates to charge to financial aid. Please have your **STUDENT ID** and **CLASS SCHEDULE** with you.

## RETURNING BOOKS

1. Must be **ORIGINAL CONDITION** (wrapped books cannot be open)
2. Must have original receipt
3. Must be returned by the **DEADLINE** scheduled for that term  
Please see **BOOKSTORE POLICY** (attached to your receipt) for dates

## ENROLL IN COLLABORATIVE COURSES

A collaborative student is one who is currently enrolled at more than one North Dakota University System institution for a particular term. The institution from which the student is earning a degree is considered the home institution. The institution(s) that supply courses for a degree are considered provider institutions.

The collaborative process allows the home campus to combine credit from more than one institution for the purpose of financial aid. At the home campus, this process produces a single billing statement and a transcript that reflects combined credits at both the home and provider institution(s).
