- It is recommended that students take a math and writing course during their first semester.
- It is also recommended that any required prep courses be taken during a student's first semester with the next level of course taken the subsequent semester.
- Athletes have very specific eligibility requirements, it is important to check with athletics regarding requirements.
- All students are required to have an active WSC email as all school related information will be sent to a WSC email address.
- Upon successful completion of these courses and subsequent graduations students may either apply for the 2nd year of Nursing to obtain their AAS degree or choose to take the NCLEX PN exam.
