STUDENT ACHIEVEMENT INFORMATION

General Information

Williston State College is pleased to provide the following information regarding our institution's retention, graduation/completion and transfer-out rates. The information is provided in compliance with the Higher Education Act of 1965, as amended. The rates reflect the graduation, completion and transfer-out status of students whom 150% of the normal time-to-completion has elapsed.

Questions related to this report should be directed to: Crystal Hotchkiss at wsc.records@willistonstate.edu

While reviewing this information, please bear in mind:

- Graduation and transfer-out rates are based on 3 years of attendance that equates to 150% of our longest program.
- Graduation (and transfer-out) rates do not include students who left the school to serve in the armed forces, on official church missions, or in the foreign service of the federal government. Students who died or were totally and permanently disabled are also excluded.
- More information regarding Williston State College can also be found at the College Navigator website at: <http://nces.ed.gov/collegenavigator/>
