STATE COLLEGE

APRIL IS SEXUAL ASSAULT AWARENESS MONTH.

You can't really understand another person's experience until you've walked a mile in their shoes.

Walk a Mile in Her Shoes[®] asks men to literally walk one mile in women's high-heeled shoes.

The mission of the walk is to create a unique and powerful public experience that educates individuals and communities about the causes of sexual assault, provide prevention and remediation strategies and empower people to step in and confront each other if they see behavior that may result in sexual assault.

This event is open to the Williston area community and animals are asked *not* to attend. Join us for music, food, and other entertainment.

WSC students will be provided with heels. If you are a community member and wish to walk, please bring your own heels.
