

EdReady Quick Start Guide for Students

Registering with EdReady

You need an account to use EdReady, so will need to register before you can start using it.

Please click this link: <https://willistonstate.edready.org/home>

You should see the logo for WSC in the header: if you don't, you need to double-check that you're at the right URL!

To Register:

1. Click the **Get Started** button on the homepage

2. The Sign Up page will open: complete the information (First & Last Name, email address, password, and zip code)

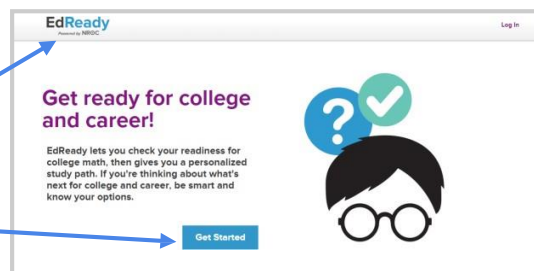

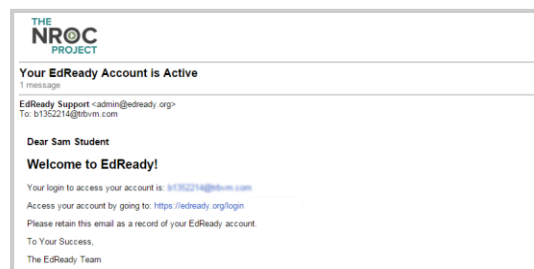

Note: double-check your email address to make sure it is correct – this will be your EdReady username you need to log in, and is the email address that is used if you forget your password

3. Then click the **Sign Up** button

4. Check your inbox for an email confirming your EdReady account. Follow the instructions in the email to activate your account

If you don't get the email within 5 minutes, your email address may have been typed incorrectly. We suggest you try to register again.

5. You should see an on-screen message that your account is active. Log in and you're now ready to start using EdReady!

A screenshot of the EdReady Sign Up form. It has fields for 'First Name', 'Last Name', 'Email', 'Choose a Password', 'Confirm your Password', and 'Enter your zip code'. Below the zip code field is a link 'why is this required?'. At the bottom are two buttons: 'SIGN UP' and 'ENTER AS GUEST'. A blue arrow points from the 'Sign Up' button in the text to the 'SIGN UP' button on the form.A screenshot of the EdReady Log In form. It has a message box that says 'Your EdReady account is now active! Please enter your password to get started.' Below this are fields for 'Email' (with the value 'b1429504@bvm.com') and 'Enter Your Password'. At the bottom is a blue 'LOG IN' button. Below the button are links: 'Need Help?', 'I forgot my password', and 'I want to create a new account'.

Logging into EdReady

A screenshot of the EdReady Log In form with annotations. A blue arrow points from the 'Log In' link in the header to the 'Log In' link in the top right corner of the page. Another blue arrow points from the 'Log In' button in the text to the 'LOG IN' button on the form. A third blue arrow points from the 'Forgot Password?' link in the text to the 'Forgot Password?' link on the form. The form has fields for 'Email' and 'Password', and a 'Log In' button.

1. Log into EdReady by clicking the **Log In** link in the header

2. Enter your email and password, then click the **Log In** button

Note: If you forget your password, click the **Forgot Password?** link. You'll be asked to enter your Email Address (the one you used to register with EdReady), and a new password will be emailed to you

EdReady Quick Start Guide for Students

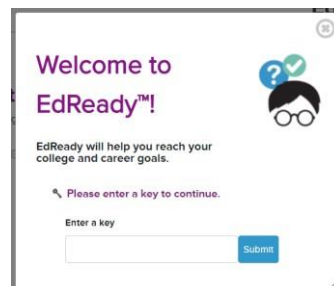

Goals & your Student Dashboard

The first time you log into EdReady, you'll see a pop-up window like this.

Enter the goal key for the placement test you are taking.
Enter both if you need to do both Math and English.

Math Goal Key: wsc_math2018

English Goal Key: wsc_2020

Submit button. The textbox will be replaced with the name of the goal you entered the password for & joined.

Click the the 'x' in the top right-hand corner to close this window.

If you ever need to enter a key at another time, just click the **Enter a key to join private goals** button at any time. (See instructions below under 'e'.)

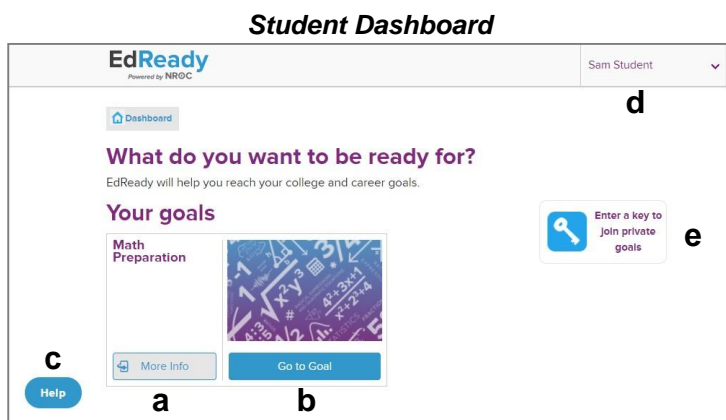

Score to place into College Algebra: 75

Score to place into English 110: 80

After you complete your initial assessment place contact wsc.admisson@willistonstate.edu.

If you do not reach the target goal, you make continue to work in EdReady to increase your score. Please see the instructions below.

EdReady Quick Start Guide for Students

a. Want more details about a goal? Click on the left-hand side of the goal card or the **More info** button.

b. If you want to work on a goal listed on your dashboard, click the **Go to goal** button: this will be your first step most times you are working in EdReady. (See more details below in the 'Working on your Goals in EdReady' section)

c. Click the **Help** button to search our knowledge base or reach out (see more details below)

d. Click your name in the header to see a menu where you can **Log Out** of EdReady and access your **My Account** page (to change your password or download your data)

EdReady Quick Start Guide for Students

Working on your Goals in EdReady

From your dashboard, click **Go to Goal** to work on that goal. Click on the **Start diagnostic** button to begin building your personalized study path.

You will see a series of questions where you will be tested on your knowledge.

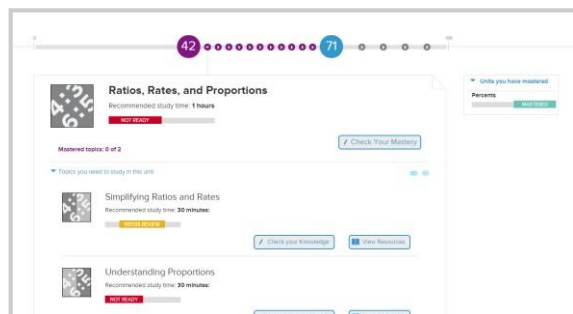

Don't worry if you don't know something – if you don't know the answer to a question, just use the **Skip** button to skip the question.

If you need to leave the test before you finish, click the **Save and close** link – you'll be able to finish this test at another time.

After you finish the initial test, you'll see a score show up on the scorebar, inside a purple circle. As you work in EdReady, your score will change to reflect your improved knowledge!

Once available, click the **View Study Path** button to see and work on the material you still need to work on. After you take the initial test, this is what you'll do to keep working in EdReady.

You can **Learn** any topic, allowing you to access online courses directly from EdReady. Once you're ready, **Test** your knowledge to see, letting you test what you have learned and Master material. Your performance on these Tests will update your EdReady score and your current status for the tested material.

Want more details about your Study Path & working in EdReady? Visit the User Guide at <http://support.edready.org>

Need Help using EdReady?

If you need any help using EdReady, you can always click the **Help** button that shows up on the left-hand side of every page.

In the window that opens, enter some text about what you need help with, then click the **magnifying glass** button to search.

You will see some articles in our Help Center that may be able to help you.

Not seeing what you need? Click the **Contact Us** button – this will allow you to submit a ticket directly to the EdReady technical support team.
