

CDC and WSC Guidelines

- Facemask usage is optional, not mandated on campus.
- Faculty may mandate masks in their classrooms as long as there is a statement in the course syllabus.
- WSC will continue to make masks and hand sanitizer available to students, employees, and guests.
- Everyone is encouraged to monitor their own health and if feeling ill, you are encouraged to stay home until feeling well again.

Vaccinations dates and registration

- August 25th from 12pm to 4:30pm. Upper Missouri Health Unit will have the Pfizer or Moderna vaccine.
- To register you must visit <https://www.ndvax.org//appointment/en/reg/9962153690> to schedule an appointment.

Are vaccines required at WSC?

- Not required, but strongly encouraged per CDC guidelines.

I am fully vaccinated. What does this mean for me?

- WSC follows guidance from the CDC regarding those fully vaccinated which can be found at www.cdc.gov/.

Need More Information?

- The North Dakota Department of Health has many resources available to the public regarding the COVID-19 vaccine which can be found at www.health.nd.gov/.
- Additional Question contact, Dean of Students [Megan Kasner](#), 701.774.4295 or President [Dr. Bernell Hirning](#), 701.774.4231.

**Guidelines may change as federal and/or state guidelines change.
