Williston State College
Minutes from Math & Sciences Department Meeting
Wednesday, November 2\textsuperscript{nd}, 2022, 5:02 PM, Science Center 202

Present: Derek VanderMolen (Chair), Susan Zimmerman, Diane Anderson, Amanda Davis, Matt Singer, Faye Krogen, Wanda Meyer, Hussain Alibrahim

Derek called the meeting to order at 5:02 PM.

AGENDA ITEMS

1) Kim Wray came to talk about our new degree offerings under the TAP (Teton Accelerated Path). Department would like to move forward with this pathway.

2) Videos on Demand are expensive, and Distance Learning will be eliminating them.

3) Amanda will serve as the new Physics Discipline Group representative.

4) Future fest will be held November 9 on Wednesday with NDSU, UND, and DSU there with grad school and job information.

5) During green weeks like Thanksgiving or Winter Break use email to communicate with staff.

6) Differential equations moved timeslots due to the change in the physical schedule.

7) Similar to the Academic Master Plan for Williston State College we have been asked to think about a Math & Science Department Strategic Plan.

8) Boot Camp courses offered for job training at UND (only NDUS school) and in other states are designed to give future employees an idea of what is needed in the workforce.

9) Review AS update, Wanda made a motion to pass and submit to accreditation team one, Matt seconded. AS Update will be sent to Accreditation Team I.

10) Soup & Chili Day will be December 15\textsuperscript{th}, 2022 from 11:30am-2:00pm.

ADJOURNMENT: Business concluded at 6:20 PM.
