## ENROLLING IN COLLABORATIVE COURSES

A collaborative student is one who is currently enrolled at more than one North Dakota University System institution for a particular term. The institution from which the student is earning a degree is considered the home institution. The institution(s) that supply courses for a degree are considered provider institutions.

The collaborative process allows the home campus to combine credit from more than one institution for the purpose of financial aid. At the home campus, this process produces a single billing statement and a transcript that reflects combined credits at both the home and provider institution(s).

### ONLINE CLASS SCHEDULE

Online class start and end times vary as do on-campus classes. Please check Campus Connection to view class begin and end dates. Online courses will show up in the My Courses tab in Blackboard once classes officially begin; classes will not show up until the first day of class. Students must complete an initial assignment designated by the instructor within the first week of class to avoid being dropped as a no-show.

Online classes are NOT self paced. They are set up similar to on campus classes with specific assignment due dates and quiz times. Students should login frequently to avoid falling behind. Students should check the syllabus for specific information regarding due dates and course expectations. Students add and drop online courses through Campus Connection. Drop dates for your classes are listed on course syllabi.

If at any time you have questions regarding your course, please contact your instructor first. Be sure to also notify your instructor if you will be absent for an extended period of time due to injury or illness to discuss options.

### BOOKS AND SOFTWARE

Textbooks, software and other required materials vary by class. A complete list of materials for each class can be found on the WSC Bookstore webpage <http://bookstore.willistonstate.edu/home>. Purchasing your materials from the bookstore will ensure you purchase the correct product for your class. Your student ID and class schedule with section numbers are required to purchase textbooks from the bookstore. Please contact the WSC Bookstore for information on how to purchase textbooks, software and other materials.

### COMPUTER REQUIREMENTS

Students are responsible for obtaining and maintaining access to a computer with the required software and internet access needed to log in and participate in classes. For information regarding computer needs, please review the [Distance Learning Getting Started](#) page.

### TEST PROCTORS

Some online courses require students to use a proctor for class exams. Instructors will notify students if this is a requirement for their course and who will be allowed to proctor.

### COMMUNICATION

In the event of questions, concerns, or complaints, the student's first point of communication is the course instructor. Instructors and students will follow the proper chain of command as stated in the *Student Code of Conduct*. Communication that breaks the chain of command will be forwarded to the proper person in the line of authority.

# WITHDRAWAL, NO-SHOW, & REFUND GUIDELINES

## STUDENT WITHDRAWAL

Class attendance is deemed an essential part of your education at WSC. It is also a federal requirement for financial aid recipients that class attendance is encouraged and monitored.

Students who are unable to continue attending classes should officially withdraw from those classes. To do so, students will need to complete a [Withdrawal to Zero Credits Form](#) found on the website. Please contact the Records Office with questions. The Financial Aid Office and the Business Office must complete this form before final processing by the Records Office.

Any federal financial aid recipient who leaves the College without completing the official withdrawal procedure may receive an "F" in all their courses. Faculty will inform the Admission and Records Office of a student's last date of attendance in classes where an "F" is received. As required by law, the mid-point of the term (50%) will be used to calculate a refund for students who have unofficially withdrawn. This refund must be returned to the appropriate aid program and will then become a tuition and fee charge to the student.

## WITHDRAWING TO ZERO CREDITS

If you are considering withdrawing to zero credits, do not forget to consider all of your options, including contacting your advisor. An advisor can assist you in determining if withdrawing is appropriate for you, or if there are other options to remain enrolled in all or some of your classes.

1. Review the dates and deadlines for the last day to withdraw from all coursework
2. Contact and/or meet with your advisor
4. If withdrawing, submit the [Withdrawal to Zero Credits](#) form to the Academic Records Office

For limits and regulations, please see the [Academic Records Policies & Procedures Manual](#).

## ADMINISTRATIVE HARDSHIP WITHDRAWAL

If you are considering withdrawing from WSC due to extenuating circumstances, you can choose to complete an Administrative Hardship Withdrawal.

1. Contact and/or meet with your advisor
2. Contact the Academic Records Office at [wsc.records@willistonstate.edu](mailto:wsc.records@willistonstate.edu) to request the Administrative Hardship Withdrawal Form
3. Requests must be approved by the Vice President for Academic Affairs before being processed

For limits and regulations, please see the [Academic Records Policies & Procedures Manual](#).

## CANCELLATION FOR NON-ATTENDANCE

Attendance and participation in class activities are considered integral parts of education. WSC policy is based on the expectation that all students attend class. Instructors are responsible for communicating this policy during the first week of class in the course syllabus.

Cancellation for non-attendance, or "no-show," occurs when WSC is unable to verify that a student is actively attending class or has engaged in activity through BlackBoard. It is the instructor's responsibility to report students that are inactive within their course(s) to the Registrar.

Nonattendance students are those who have not shown to class or have not participated in their online courses by the following deadlines:

1. Nonattendance reporting for full term courses is on the 10th calendar day of class
5. For sessions less than 16 weeks in length, dates are set proportionately by

the Academic Records Office and provided to instructors

Definition of a no-show includes any of the following:

1. Not completing an activity in an online class (required activity will be specified by the instructor)
2. Lack of attendance in an on-campus or IVN class

For limits and regulations, please see the [Academic Records Policies & Procedures Manual](#).

## FOR MORE INFORMATION

Jen Nebeker - Registrar, Research Analyst  
**701.774.4267** | [wsc.records@willistonstate.edu](mailto:wsc.records@willistonstate.edu)

## REFUNDS RESULTING FROM CLASS CHANGES

The final date to add or drop a class varies with the length of time the course runs. Please see the calendar for specific dates.

Refunds of institutional costs are calculated based on the policies of the North Dakota University System as determined by the North Dakota State Board of Higher Education. Institutional costs at WSC include tuition, fees, and on-campus room and board. Rates are determined based on the date of official withdrawal or in the case of unofficial withdrawal, the mid-point of the term.

The state refund policy for tuition and fees for all students is based on the length of the class measured in calendar days as noted below. Room and board contracts (meal plans) are refunded based on a weekly percentage.

## REFUND POLICY FOR CLASS DROPS

Upon proper withdrawal from a class, while still enrolled in one or more other classes, a student will be refunded tuition and fees at 100% for all regular session classes. No refunds will be made after that point for a class drop.

## DISTRIBUTION OF REFUNDS FOR FINANCIAL AID RECIPIENTS

The dates used to calculate refunds are as follows:

1. For an official withdrawal - Date of withdrawal
2. For an unofficial withdrawal - Last day of attendance reported by the instructor (If the date is unavailable, the mid-point of the term will be used)

For further detail, please see the [Student Withdrawal Procedures](#) web page.

## GERTA COURSE MATRIX

The following WSC courses have been approved by the North Dakota University System to meet the institution's general education requirements. Please pay special attention to the program of study these courses may be applied to, as requirements differ among programs and degrees.

The NDUS developed GERTA to assist students who transfer within the NDUS. This agreement states that students who transfer to an NDUS institution after completing their general education course work at any other NDUS institution will be deemed to have met all lower division general education requirements at the transfer school. This agreement also states that if not all general education requirements have been completed before transferring, all general education courses will be applied to the general education requirements at any other NDUS institution. Please contact the Registrar to obtain a GERTA completion certificate form.
