

WSC students are encouraged to connect with NDSU admission and engineering advisors one full semester prior to transfer

Engineering Advisor: Joel.Hanson@ndsu.edu

- WSC students are encouraged to complete their Associates Degree prior to transferring to NDSU. Completing an Associates of Arts (AA) degree or Associates of Science (AS) degree prior to transferring will satisfy NDSU's required lower division Gen Ed credits (39 credits) upon transfer.
- Visit www.ndsu.edu/transfer, select "Transfer Credit and Degree Completion" under "Transfer Applicants", then "ACCESS TES DATABASE", then navigate to WSC to see WSC/NDSU equivalencies.
- Additional course substitutions may be available. WSC students must meet with NDSU dept advisor to review transfer work.
- Program requirements change periodically. It is the student's responsibility to be in contact with advisors from both institutions to obtain the most current program information to help ensure a smooth transfer.

Construction Engineering NOTES

- A minimum 2.50 cumulative GPA is required for transfer students to be admitted to the B.S. in construction engineering program.

English and Communication

WSC Course	Cr	NDSU Equivalent	Cr	NDSU Gen Ed /NOTES
ENGL 110 Composition I	3	ENGL 110 College Composition I	3	Communication (C)
