HEERF Student Fund Reporting Requirements

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act in response to COVID-19 pandemic. This act included funding to institutions of higher education, referred to as the Higher Education Emergency Relief Fund (HEERF), providing students with grants to offset the unexpected expenses they may have incurred as campus operations were disrupted.

1. WSC signed and returned the Certification and Agreement to the Department of Education. The college intends to use no less than 50 percent of the funds received under Section 18004(a)(1) of the CARES Act to provide Emergency Financial Aid Grants to students.
2. WSC received \$169,405 from the Department pursuant to the institution's Certification and Agreement [for] Emergency Financial Aid Grants to students.
3. As of September 29, 2020, \$169,376 of these funds has been disbursed to students under Section 18004(a)(1) of the CARES Act.
4. There are an estimated 542 students at the institution that were eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965.
5. 272 students received CARES Act Grant funding under Section 18004 (a)(1) of CARES Act as of September 29, 2020.
6. WSC did not have an application for the CARES Act Grant. To determine eligibility, WSC pulled a list of students eligible for Federal Title IV funds who had a completed 2019-20 Free Application for Federal Student Aid (FAFSA) and had accepted a financial aid award for spring 2020 as of April 22, 2020. WSC then identified which of those were taking on campus classes and met WSC's Satisfactory Academic Progress (SAP) requirements, along with guidance set by the Department of Education.

WSC's model for distribution for applicants is outlined below and was distributed based on the Expected Family Contribution calculated for each student on their completed 2019-20 FAFSA.

• Estimated Family Contribution (EFC) of \$0 to \$2500	\$800
• EFC of \$2501 - \$6000	\$600
• EFC of \$6001 - \$10000	\$450
• EFC of \$10001 or higher	\$296

7. An email was sent to all campus emails on May 21, 2020 with information regarding the CARES Act with a link to more information posted on WSC website. All recipients of the CARES Act were emailed on June 11, 2020 and September 29, 2020 informing them on where to view their award, when refunds would begin, and how they would receive their refund.

WSC Students: Congress recently passed the *Coronavirus Aid, Relief, and Economic Security (CARES) Act* in response to COVID-19 pandemic, which included funding to institutions of higher education. The *Higher Education Emergency Relief Fund (HEERF)* section of the CARES Act will provide some students with grants to offset the unexpected expenses they may have incurred as campus operations were disrupted. WSC is currently working to finalize its campus-specific protocol to distribute student funds, which will be based on the [Free Application for Federal Student Aid \(FAFSA\)](#) data to determine eligibility. Under U.S. Department of Education rules for the program, students who are not eligible for Federal financial aid programs or who are online only are not eligible for CARES Act grant. WSC recipients will be degree-seeking, with high economic need (per FAFSA) who experienced operational disruption due to campus moving to remote instruction. Unfortunately, **not all students will be eligible to receive emergency grant funding.** Please visit the [WSC Federal CARES Act FAQs](#) and continue to check your email or website for updates.
