 - i. Approved by Committee
 2. Transportation Technician Technology program (Name change to “Diesel Technology”)
 - a. Discussion on credit load.
 - i. Diane motion to approve name change waiving second and third reading. Wendy second
 1. Approved by Committee

- **OTHER BUSINESS**

- Discussion on putting a due date for February meeting as the last date to approve curriculum items for Fall 2022
- GERTA has a due date of January.
- When starting a new program, Kim must do a program exploration and then the ask to add. The exploration include research in burning glass. Kim wants to know if she does the program exploration then bring to Curriculum Committee.
 - Diane mentioned that an email can be sent when a program goes into exploration.
 - The consensus is to do the exploration before bringing to Curriculum Committee.

- **ADJOURNMENT**
