NOTES:

1. Final exams are typically held in the same classrooms originally scheduled for courses during the semester.
2. Final exams for evening classes (MWF classes beginning after 5:00PM and TR classes beginning after 3:00PM) are held at the same time that class meets. If the class is regularly held more than once a week, the earliest day in the week will be used.
3. For online courses, final exam day and time are determined by the instructor and may coincide with the above final examination schedule.

COURSE KEY DISCRIPTION

ONLINE CLASS

• Online classes are NOT self paced. They are set up similar to on campus classes with specific assignment due dates and quiz times. Online courses will show up in the My Courses tab in Blackboard once classes officially begin.

IVN CLASS

• Interactive Video Network (IVN) classes meet in a face to face classroom style setting on the days and times listed on the course schedule via the use of technology. IVN classes are not self-paced and students are expected to attend class at specific assigned times and locations. IVN classes utilize technology such as mics, cameras and computer/television screens to allow students and faculty from multiple locations to meet in a virtual format. Classes may be held in a physical classroom or on individual computers. Location of IVN classes vary by course and are listed on the course schedule.

HYBRID/BLENDED

• Hybrid/Blended courses combine face to face instruction with online instruction in various ways. Students should be available on the days and times listed for the course, though the class may meet in the classroom or online-live, while also allowing for release time to work online in lieu of a scheduled meeting. The instructor will provide a detailed description to students during the first week of class.

GERTA COURSE MATRIX

The following WSC courses have been approved by the North Dakota University System to meet the institution's general education requirements. Please pay special attention to the program of study these courses may be applied to, as requirements differ among programs and degrees.

The NDUS developed GERTA to assist students who transfer within the NDUS. This agreement states that students who transfer to an NDUS institution after completing their general education course work at any other NDUS institution will be deemed to have met all lower division general education requirements at the transfer school. This agreement also states that if not all general education requirements have been completed before transferring, all general education courses will be applied to the general education requirements at any other NDUS institution. Please contact the Registrar to obtain a GERTA completion certificate form.
