[MAKE THE DIFFERENCE] IN COLLEGE, CAREER, AND LIFE

EARN COLLEGE CREDITS NOW!
WITH WILLISTON STATE COLLEGE PATHWAYS

Start your college journey ahead of the game with Williston State College Pathways. This unique program enables you to fulfill your high school graduation requirements while simultaneously enrolling in WSC courses by following a pathway in STEM, Humanities/Social Science, Technical, Health, Business or Agriculture.

Seize the opportunity to get a head start on your future. These pathways allow you to complete your college general education requirements while you’re a high school student with the added benefit of being able to transfer these credits towards your WSC degree.

QUALIFICATIONS:
• Must be a high school sophomore, junior or senior
• Must have at least a cumulative 2.0 GPA
• Must meet any course placement score and/or prerequisites
• Permission from parent/legal guardian and high school
